

INDUSTRY CONNECTIONS THE PATH TO STUDENT SUCCESS

VU

CAREER PRACTITIONERS' FORUM 2015 WORKSHOP PROGRAM

COLLEGE WORKSHOPS

Each college workshop will include:

- A current student sharing their reasons for choosing Victoria University and their study experiences so far
- Course overview information delivered by key academic staff
- A graduate discussing how a Victoria University degree contributed to their current career success.

Presentations will be followed by question time.

11.10 – 11.55 WORKSHOP SESSION ONE

CREATE CAREER SUCCESS WITH THE COLLEGE OF ARTS

Discover courses in creative arts, community services, social science, psychology, arts and communication. Arts students benefit from the real-world experience offered by our strong industry connections. Professional placements at the Western Bulldogs Football Club, Malthouse Theatre, Maribyrnong City Council, and our on-campus Psychology clinic enable students to pursue rewarding careers after graduation.

INVEST IN A COURSE AT THE COLLEGE OF BUSINESS FOR HIGH RETURNS

The College of Business prepares students for employment through professional workplace-based activities. Real-world relevant curriculum is designed in consultation with industry leaders and high-profile education partners such as Linfox. Find out more about courses in business, accounting and finance, supply chain logistics, management, and marketing.

HEAR THE EVIDENCE FOR THE COLLEGE OF LAW AND JUSTICE

Discover how our law and justice graduates win in their legal careers. Courses include legal services, legal practice management, Bachelor of Laws, and law/arts and law/business double degrees. Students enjoy hands-on learning through industry associations with Department of Justice (Victoria), Rob Stary Lawyers, Magistrates' Courts of Victoria (Sunshine), Victoria Police and more.

12.00 – 12.45 WORKSHOP SESSION TWO

LEARN TEACHING EXCELLENCE WITH THE COLLEGE OF EDUCATION

College of Education students benefit from an industry partner network including schools, community organisations, government bodies and international universities renowned for innovation in education. Learn about the career success of graduates in early childhood education, primary and secondary teaching, youth work and teaching English as an additional language.

DESIGN A DREAM PROFESSION WITH THE COLLEGE OF ENGINEERING AND SCIENCE

Find out how the College's strategic industry connections offer students practical experience and real-world knowledge of economic, environmental and social issues. Accredited courses are offered in engineering and information technology alongside programs in building and science. Professional education partners include Victorian and Federal Government Laboratories, Foster's Brewing Laboratories and more.

HAVE A HEALTHY CAREER WITH THE COLLEGE OF HEALTH AND BIOMEDICINE

Innovative course programs cover anatomy and cell biology, dermal science, nutrition and dietetics, medical physiology, midwifery, women's health, nursing, osteopathic medicine, paramedicine and public health. Discover the College's hands-on approach to learning via industry partnerships with the Sunshine Hospital, St Vincent's Hospital, Royal Women's Hospital, Nestle, Sanitarium and more.

1.30 – 2.15 WORKSHOP SESSION THREE

FIND A FIGHTING FIT CAREER WITH THE COLLEGE OF SPORT AND EXERCISE SCIENCE

State-of-the-art learning and research facilities and professional placement opportunities with over 350 peak sporting organisations, offers students outstanding career opportunities. Our 200+ partnerships and affiliations include Western Bulldogs AFL club, Netball Victoria and Real Madrid Graduate School - Universidad Europea and more. Find out about our programs in sport and exercise science, rehabilitation, physical education, coaching, sport management and business, and sport massage.

BE JOB-READY WITH VICTORIA UNIVERSITY INSTITUTE OF TECHNOLOGY (VUIT)

VUIT is Victoria University's newly created vocational institute which will deliver all of VU's technical and further education (TAFE) programs from 2016. Find out all about our 140 industry connected vocational courses and flexible study pathways in the areas of health, sport and community services, transition education, service industries, and trades such as building and construction, plumbing, electrotechnology, mechanical engineering, carpentry, bricklaying, make-up, beauty and hairdressing.

PORTFOLIO PARTNERSHIP PROGRAM

The Portfolio Partnership Program (PPP) is an alternative entry program for Year 12 students who attend one of our partnership schools. PPP means that VU assesses applications based on students' goals, achievements and community involvement, not just their ATAR. This session will outline the opportunities available for your students and highlight changes to the program in 2015.

2.15 – 3.00 OPTIONAL WORKSHOPS

TOUR OUR INSTITUTE OF SPORT, EXERCISE AND ACTIVE LIVING (ISEAL) FACILITIES

Our \$68 million Institute of Sport, Exercise and Active Living at Footscray Park houses the most comprehensive range of sport and exercise science teaching and research facilities in the southern hemisphere. Student learning is supported by the latest world-class technologies and equipment, including exercise physiology labs, altitude hotel, biomechanics laboratories, motor learning and skilled performance labs, sport and exercise biochemistry labs and facilities for motor control and biofeedback research. Register now — strictly limited places available.
