If you do not know the full unit code or name, you can type in a portion of the unit name, which will retrieve all units with the search item in it. The more specific your search terms are, the more refined your selection will be.

To add the unit, hover over the tile, click add and then select the year, campus and study period you would like to complete that unit in. To see more information about the unit, click on Unit details. This will take you to the full unit description on the VU website.

Please note that the system will only allow you to add units that you are eligible for, including any pre-requisites and units outside of your course plan.
